

PLAINFIELD PUBLIC SCHOOLS
COMMUNITY USE OF SCHOOL FACILITIES

The use of school buildings, grounds, equipment, and facilities will be authorized by the superintendent in conformity with the following regulations governing their use as approved by the Board:

1. Requests for the use of school facilities will be made at the office of the superintendent at least ten (10) working days prior to the date of use.
2. Athletic fields and similar areas are not to be open for public use without Board authorization in order to avoid liability issues.
3. Requests for school facilities for school programs must be cleared with the building principal and the superintendent, should the nature of the request so justify.
4. The use of school facilities for school purposes, meetings of pupils, entertainments given by pupils, meetings for the benefit of teachers, meetings and entertainment by teachers' clubs, alumni associations, parent-teacher associations and other organizations affiliated with the schools have precedence over all others.
5. It is understood that the primary use of the facilities is for public school use. However, in order to establish an orderly schedule, reservations must be made according to the following order:

The group using the facilities will be responsible for any damage to the building or equipment and area(s) used must be left clean and orderly. Any non-school group using the facilities not included under the Board of Education's Blanket Liability Insurance coverage, will be required to furnish evidence of insurance coverage meeting the Town's requirement for Personal Injury and Property Damage Single Limit Liability (\$1,000,000). In addition, Plainfield Board of Education is to be named as an Additional Insured and a Certificate of Insurance will be required to be filed with the original request.
7. Groups receiving permission are restricted to the dates and hours approved and to the building area and facilities specified, unless requested changes are approved by the superintendent.
8. Groups receiving permission are responsible for the observance of local and state fire and safety regulations at all times.
9. The use of alcoholic beverages, profane language, or gambling in any form is not permitted in school buildings. Smoking is not permitted on Board of Education property.
10. The Board will cooperate with recognized agencies, such as the Red Cross and Civil Defense, and will make suitable facilities available without charge during community emergency or to prepare for civil defense.
11. It will further be the policy of the school district that school equipment may not be removed from school buildings for use by an individual or a non-school organization. Exceptions to this policy may be made by the superintendent or designee when requests are made by community agencies or groups for the use of school equipment on a short-term basis.
12. When groups are granted requests to use school facilities on non-school days, they will be charged an additional fee to cover the wages of employees required to work on those days and/or additional utility costs.
13. All rental fees must be paid within fourteen (14) days of the billing date.
14. If school is closed due to weather the use of facilities will continue at the discretion of the superintendent.
15. If the Superintendent determines that police coverage for the event is necessary, the group will need to retain the services of the police department.

The Plainfield Board of Education encourages the use of these facilities by responsible community organizations. Recognizing, however, that the Board of Education must maintain its Town-owned properties, originally financed by all the citizens of Plainfield and Sterling (high school only), it is the policy of the Board of Education to charge for some uses.

Charges, where applicable, will be based on the following:

- The type of organization applying.
- The facilities required.
- The length of time facilities are required.
- The type of function (i.e., whether or not admission is charged).

Such charges cover labor, general maintenance, trash removal, replacement supplies, and energy costs. Examples of different types of groups and customary uses and their fee categories are listed on schedules A & B. Fee schedules will be developed by the Superintendent annually and reviewed by the Board of Education.

PLEASE NOTE: THERE IS NO FOOD ALLOWED ANYWHERE IN THE BUILDINGS EXCEPT IN THE CAFETERIA.
